Part I Summary

1 Briefly describe the organization's mission or most significant activities
OpenAI's goal is to advance digital intelligence in the way that is most likely to benefit humanity as a whole, unconstrained by a need to generate financial return. We think that artificial intelligence technology will help shape the 21st century, and we want to help the world build safe AI technology and ensure that AI's benefits are as widely and evenly distributed as possible. We're trying to build AI as part of a larger community, and we want to openly share our plans and capabilities along the way.
